

Nursery Newsletter

January 2025

Winter

At this time of year, the perfect topic to explore is winter! As part of this we will be investigating snow and ice. We will look at what happens when it freezes and melts. We will be talking about Jack Frost and making lots of patterns using different shapes, textures and materials. We will be creating wonderful winter artwork!

RE

The topic we are learning about in RE is celebrations and what celebrations take place in our parish family. We will be planning a Nursery party.

Remember as the weather is getting very cold the children need a warm coat, hat, scarf, gloves and wellies for outdoor play!

We love Stories

We love to read stories and this half term we will be reading the story *We're Going on a Bear Hunt*. We will make a map and some Binoculars. Also learn about different bears.

Chinese New Year

Stay and Play

Please join us on Thursday 30th January 8.45 till 9:45 o'clock to learn all about the Chinese New Year festival. This year is the year of the Snake and we will learn about the Chinese Zodiac story.

How Can you help your child at home?

- Share stories with your child.
- Helping your child with their pencil control by doing lots of colouring and painting activities.
- Singing lots of number rhymes.
- Help them with counting objects, recognising and ordering numbers.
