## Year 6 assembly

On the 11th day of the 11th month at 11am the whole school fell silent to pay our respects to all the people who had given their lives during both World Wars. At this time we also remembered the personnel who have made the ultimate sacrifice during recent conflicts across the globe.

We are so proud of all our children who held this time with the utmost of reverence.

Continuing on from this was Year 6's excellent assembly on Wednesday, about what life was like during the World Wars. We learned all about the role of the air raid wardens and the responsible position that they held, and about the day to day life and effects that the World Wars had on the population as a whole.

A fantastic and thought provoking assembly Year 6.  
Thankyou

## Year 2 at St Patrick's Church

Our Year 2 children visited Father Haworth at St Patrick's Church on Wednesday to consolidate their learning of the rite of baptism. Baptism serves as the first sacrament that one receives when entering the Catholic Faith. It's a sacrament of initiation (which you can only receive one time), meaning once you have received it, you officially enter into the body of Christ and the Catholic Church.

## Year 2's visit to the cinema

Our Year 2 children went to the cinema on Thursday to watch the film 'Migration'. This is an animated film about a family of ducks trying to convince their overprotective father to go on the vacation of a lifetime. If he succeeded or not..... you'll have to ask the children!

The children had a great time and thoroughly enjoyed the film.

## Attendance Expectations

### What YOU must do:

Try to telephone the school before 8.30am each day of your child's absence.

Tell the school in advance, of any medical appointments and bring in appointment cards/letters.

If you are not sure whether your child is well enough to attend school, send them in anyway as they often perk up on arrival.

Have a backup plan for if your child misses transport, call on a family member, neighbour or friend.

If you and your child are experiencing difficulties with school attendance then talk to us as a first step so we can help!

### What WE will do:

Check your child's attendance every day.

Phone home to discuss your child's attendance with you.

Invite you into school for attendance meetings if we are concerned.

If we cannot establish a reason for absence, then we may make a welfare home visit

## School Uniform

Please can we just remind you of our uniform policy which does state :- black shoes to be worn with uniform, plain black trainers to be worn with active wear, no jewellery apart from plain studs for earrings and a watch - analogue or digital (but no smart watches) - for our older children. Also due to health and safety reasons there can be no earrings for PE - they must be taken out at home before your child comes to school. If they are unable to remove them themselves - we are not able to put plasters on to cover them. Also children's hair should not be dyed or have temporary pieces in; short hair should not be worn shorter than a 'number 2' - patterns and lines are not allowed, hair bobbles and slides should coordinate with school uniform, whilst coloured braids, even though they are gorgeous, are not allowed.

Your child's birthday is important to us and we wish to make your child feel special on this day. We have decided that the following will happen on your child's birthday:

- They can wear their own clothes on that day if they wish.
- We will sing Happy Birthday in class and then on whole school assembly day
- They will receive a card from school Class Dojo
- They will have a group photo on the whole school Dojo

We are therefore asking that no more birthday cakes/sweets/party bags etc. are brought into school as we are very mindful of the current cost of living situation impacting on all families. We also have an increased number of dietary requirements/allergies coming into school.

We hope you understand and thank you for your continued support.
