Summer 2024

At this time of year, we love to explore the outdoor environment . We are going to be growing lots of different fruits and vegetables such as strawberries, potatoes, tomatoes and lots more. We will explore the different creatures and mini beasts that live in our school garden.

We will be reading lots of different stories including Jasper's Beanstalk and Handa's Surprise.

People who Help Us

Over the next few weeks we are going to be learning about 'People Who Help Us'.

We will have some special visitors who will tell us about their jobs. If you would like to come and tell us about your job, please see a member of staff.
