

July 4th 2025

Our Year 1 children enjoyed a fun-filled and educational trip to Kenyon Hall farm on Thursday, making the most of the glorious sunshine and fresh countryside air. Located on 500 acres of beautiful farmland it produces a wide variety of fruit, vegetables and crops. During their visit, the children were given a guided tour of the farm where they saw fields full of fruits and vegetables and picked some of their own! Following their lunch, the children had time to enjoy the play park before hopping aboard for a tractor ride round the farm.

The day was a fantastic mix of learning and play, and the children's behaviour was brilliant throughout.

Girls Football

Well done to the Year 2 and Year 3/4 girls football teams. It was an amazing effort by both teams with some fantastic penalties scored at the end.

A great way to prepare for the women's Euros that started on Wednesday.
