Visit to the Mayor's Parlour

After the recent visit here our Year 6's were invited to the Town Hall to look around the Mayor's Parlour. What a fantastic experience for them and what an insight in to Bolton's history.

There they stared in awe at the cabinet which houses the collection of the Civic silver and plates, including the Civic Maces. They also saw a portrait of the first Mayor of Bolton Charles James Darbishire who took office in 1838. They learned that the Mayoral chain has the monograms representing each individual Mayor from Charles Darbishire in 1838 right through to Walter Tong in 1940. They also saw many artefacts connected to HMS Dido; this was the warship that the people of Bolton adopted after managing to raise £1.2 million in the 1930's in just one week to aid the War effort.

The children also saw round the Mayor's and Mayoress's Parlours as well as having the privilege of standing on the top of Town Hall steps waving to the people of Bolton.

The Mayor also took part in a q & a with the children and we were so proud of the intelligent questions that they posed to him.
