## KS1 Nativity

This week was our KS1 nativity in the hall. The hall lights were dimmed and the audience silenced as calming Christmas music rang throughout. The spotlight shone on all of the children like a shining star—similar to the one which led the lowly shepherds to the stable. This year the children performed the traditional nativity story. They were certainly dressed for the part, and acted out their roles in a quite splendid way. It was a fantastic opportunity for each and everyone of us just to take a few minutes out of our busy lives to remember exactly what this time of year is about.

Each and everyone of the children enjoyed the telling of the greatest story on earth—what absolute stars all the children were.

Well done to all the children and to the staff for staging such a wonderful production.

# Choir at Jubilee House & Bolton Hospice

Our amazing school choir were once again invited to go and sing at Jubilee House in Bolton, and to the Bolton Hospice. Jubilee House offers retirement housing, and our choir has been invited to sing there for many years; whilst Bolton Hospice is a home that provides specialist care for people with life limiting illnesses. It is an absolute privilege for our choir to sing at these places and to give something back to the community.

Well done to you all, great ambassadors for our school.

## Xmas Fair

Many, many thanks to you all for helping to make our Christmas Fair one of the best yet!! Without your support things like this are not possible and the children do have such a wonderful time. What made it extra special for our children was combining it with Christmas Jumper Day. It was such a colourful sight seeing all the Rudolph's and Christmas Trees and Father Christmas's mingling amongst each other in the hall.

Many thanks to Ms Shepherd and the School Council for organising this annual event, which has raised over **£1000!!!**
