

# Reception Newsletter

January 2026

During this half term, we will be looking at what makes a superhero super. We will be reading the books Ten Little Superheroes and Supertato. Using the books we will be writing words, sentences and labelling pictures. Also, we will make our own superhero costumes and use them to help us solve problems in school.

We will be learning about the season of winter. Children will be looking for signs of winter and talking about what happens to the animals and the plants, what the weather is like and what clothes we wear.

We will also be learning about Chinese New Year and will host a Chinese New Year stay and play for you to join us.

This will be on **Thursday 12<sup>th</sup> February at 8:45 till 9:45**. We would love for all adults to come along. Unfortunately, no other children can attend due to health and safety.

## Calling All Superheroes!

On **Thursday 5th February**, we will be having a superhero day in class. It would be great if your child could come to school dressed up as a superhero for the day.

We will be counting objects and recognising and ordering numbers to 20.

We will be learning what is 1 more/less than a number. Also, we will be practising adding by combining 2 groups of objects and counting all of them together. This will follow with us completing simple addition number sentences.

## RE

This term we will be learning about the following statements:

- Jesus was born for everyone.
- Jesus is God's Son and came for everyone.
- We need to show love to everyone like Jesus.

We will be listening to different scripture from the Bible. The two main stories we will focus on are: The Good Samaritan and Jesus Feeds the 5000.
