## Anderton Centre

This week has seen our Year 6's enjoy their annual residential at the Anderton Centre.

For many, this is the first time they have stayed away from home and they have enjoyed every single minute of it. We have seen children shine at activities that we would not normally see them participate in. What memories they have made which they will treasure for the rest of their lives.

They have been wall climbing, tree climbing, paddle boarding, building camp fires (enjoying melted marshmallows) and archery just to name but a few of the plethora of activities available to them—how on earth have they managed to pack this all into 3 days away goodness only knows!! All we have seen are beaming smiles from each and every one of the children—even the staff have enjoyed themselves!!

## ANCIENT EGYPT

**WOW!!** What a history and geography lesson we had from Year 3 just recently when they showed us their assembly. We learned that Egypt is in the north-east corner of Africa and that many people lived by the River Nile because it provided them with water and good soil for farming.

Well done Year 3 – many of us learned new and interesting facts that we weren't aware of before, and what excellent actors each and every one of you are. We are so proud of each and every one of you.

## Weekly Attendance

Well done to Year 3 who are this week's attendance superstars with 97.7%

Year 4 are our most punctual class.

Well done everyone!!

### School Holiday Absence

Please remember that **NO** holidays during term time will be authorised. Unauthorised absences of 5 days or more, during two consecutive half terms, will incur a penalty notice from Bolton Council.

Your child's class teacher will communicate on a regular basis with you on Class Dojo. It is a window into your child's class.

Please can you check and ensure that you are connected.

Please can you advise the office as soon as possible of any changes to contact details for your child, including mobile numbers, home landlines and full addresses for **both** parents. Please also update any dietary and medical information for each child, so our records are constantly up to date.

All of the above can be done through the Arbor App, please ask at the office if you are struggling to set this up.
